

**St. Mary's Elementary School**  
**Presents**  
**FAMILY MATH NIGHT**  
**On Wednesday, October 12, 2016**  
**6:30-8:00 pm**

We are pleased to present Gerri Lorway, Math Specialist as guest speaker, who will focus on the new Math Curriculum and what parents can do to have fun with math at home.

Explore the wonders of math with your children! Let them show you what they are learning. A variety of

math centers will be hosted by teachers offering an assortment of games and ideas to be used at home as well as at school.

*Snacks and Finger Foods Provided.*

*Prizes Awarded at Math Stations!*

*Door Prizes*

**Come out for a fun filled evening with your family!!**
